NOW, THEREFORE, be it resolved by the members of the County of Oswego Industrial Development Agency, as follows:

Section 1. It is the policy of the State to promote the health, economic welfare, recreation opportunities and prosperity of its inhabitants and to actively promote, attract, encourage and develop recreation and economically sound commerce and industry for the purpose of preventing unemployment and economic deterioration. It is among the purposes of the Agency to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of certain facilities, including commercial facilities, and

thereby advance the job opportunities, health, general prosperity and economic welfare of the people of the State and to improve their recreation opportunities, prosperity and standard of living.

Section 2. Based upon the representations and projections made by the Company to the Agency and after considering those representations, the Agency hereby makes the following determinations:

A. Ratifies the findings in its Initial Resolution and SEQRA Resolution.

B. The Project constitutes a "project" within the meaning of the Act.

C. The granting of the Financial Assistance will be an inducement to the Company to develop the Project in the Town of Oswego, County of Oswego. The Financial Assistance consists solely of exemptions from real estate transfer taxes, real property taxes, mortgage recording tax (except as limited by Section 874 of the Act) and State and local sales and use tax.

D. The commitment of the Agency to provide the Financial Assistance to the Company will enable the Company to acquire, construct, install, equip and complete the Project Facility.

E. The acquisition, construction, installation, equipping and completion of the Project Facility will help prevent economic deterioration and advance the health, general prosperity and economic welfare of the people of the State.

F. The acquisition of a controlling interest in the Project Facility by the Agency, the designation of the Company as the Agency's agent for the acquisition, construction, installation, equipping and completion of the Project and the granting of the Financial Assistance will be an inducement to the Company to acquire, construct, install, equip and complete the Project Facility in the Town of Oswego, County of Oswego, and will serve the purposes of the Act by, among other things, advancing the general prosperity and economic welfare of the inhabitants of the County of Oswego; and the granting of the Financial Assistance will assist in financing the costs of the acquisition, construction, installation, equipping and completion of the Project Facility.

G. The Project will not result in the removal of a commercial, industrial or manufacturing plant or facility of the Company or any other proposed occupant of the Project Facility from one area of the State to another area of the State or result in the abandonment of one or more plants or facilities of the Company or any other proposed occupant of the Project Facility located in the State, except as may be permitted by the Act.

Section 3. Subject to the terms of this Resolution, the conditions set forth in Section 4.02 of the Agreement (as defined herein), the Agency's approval of the PILOT schedule and the execution and delivery of the Project Agreement (as defined herein), the Agency will: (i) acquire a

controlling interest in the Land and Facility pursuant to a lease agreement (and/or sublease agreement (collectively, the "***Company Lease***") to be entered into between the Company (and/or the owner of the Land) and the Agency and accept an interest in the Equipment pursuant to a bill of sale from the Company (the "***Bill of Sale***"); (ii) sublease the Project Facility to the Company (and/or the owner of the Land) pursuant to a sublease agreement (the "***Agency Lease***" and together with the Company Lease, the Bill of Sale, the Project Agreement and any other certificates and documents deemed necessary by the Agency to undertake the Project, collectively, the "***Lease Documents***") to be entered into between the Agency and the Company; (iii) grant the approved Financial Assistance; provided that no default shall have occurred and be continuing under the Agreement (as hereinafter defined), the Lease Documents or any loan documents, and provided the Company has executed and delivered all documents and certificates required by the Agency in conjunction with the Agency's undertaking of the Project, and has executed and delivered all other certificates and documents necessary or appropriate for the grant of the approved Financial Assistance requested by the Company, in form and substance acceptable to the Agency, or its commercial lender(s), in connection with financing for the Project, including but not limited to, one or more mortgages in favor of the Company's commercial lender(s).

Section 4. The terms and conditions of subdivision 3 of Section 875 of the Act are herein incorporated by reference and the Company shall agree to such terms as a condition precedent to receiving or benefiting from an exemption from State sales and use tax exemptions benefits. Notwithstanding anything herein to the contrary, the amount of State and local sales and use tax exemption benefits comprising the Financial Assistance approved herein shall not exceed **$246,153 and shall last no longer than two years from the execution and delivery of the Lease Documents**. The Agency may consider any request by the Company for increases to the amount of sales and use tax exemption benefits authorized by the Agency upon being provided with appropriate documentation detailing the additional purchases of property or services.

Section 5. Notwithstanding anything herein to the contrary, the amount of mortgage recording tax exemption benefit comprising the Financial Assistance approved herein shall not exceed **$34,661**.

Section 6. Notwithstanding anything herein to the contrary, the amount of real property tax abatement benefit comprising the Financial Assistance approved herein shall be approximately **$1,386,423**, which such amount reflects the total estimated real property tax exemptions for the Project Facility (which constitute those taxes that would have been paid if the Project Facility were on the tax rolls and not subject to that certain payment in lieu of tax agreement between the Company and the Agency (the "PILOT Agreement") of approximately **$1,750,884**, less the estimated payments in lieu of taxes of approximately **$364,461** to be made by the Company to the affected tax jurisdictions with respect to the Project Facility during the term of the PILOT Agreement. The approximate amount of estimated real property tax exemptions and the approximate amount of estimated payments in lieu of taxes are estimated based on an assumed assessed value of the Project Facility and assumed future tax rates of the affected tax jurisdictions, therefore the real property tax abatement benefit is estimated because it is calculated using the estimated real property tax exemptions. The actual amount of real property tax abatement benefit is subject to change over the term of the PILOT Agreement depending on any changes to assessed value and/or tax rates of the affected tax jurisdictions. ***Exhibit "B"***

attached hereto reflects the calculation used to determine the annual amount of the payments in lieu of taxes to be made to the affected tax jurisdictions in each year during the term of the PILOT Agreement.

Section 7. The Company may utilize, and subject to the terms of this Resolution, the Agreement and the Project Agreement, is hereby authorized to appoint, a Project operator, contractors, agents, subagents, subcontractors, contractors and subcontractors of such agents and subagents (collectively, "***Additional Agents***") to proceed with the construction, installation, equipping and completion of the Project, all with the same powers and the same validity as if the Agency were acting in its own behalf, provided the Company execute, deliver and comply with the Lease Documents. The Company shall provide, or cause its Additional Agents to provide, and the Agency shall maintain, records of the amount of State and local sales and use tax exemption benefits provided to the Project; and the Company shall, and cause each Additional Agent, to make such records available to the State Commissioner of Taxation and Finance (the "***Commissioner***") and the Agency upon request. The Agency shall, within thirty (30) days of providing any State sales and use tax exemption benefits, report to the Commissioner the amount of such benefits for the Project, identifying the Project, along with any such other information and specificity as the Commissioner may prescribe. As a condition precedent to the Company or Project's receipt of, or benefit from, any State or local sales and use tax exemptions, the Company must acknowledge and agree to make, or cause its Additional Agents to make, all records and information regarding State and local sales and use tax exemption benefits realized by the Project available to the Agency or its designee upon request. For purposes of exemption from State sales and use taxation as part of the Financial Assistance requested, "sales and use taxation" shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

Section 8. As a condition precedent to the granting of the Financial Assistance, the Company agrees to execute an agreement with the Agency setting forth the preliminary undertakings of the Agency and the Company with respect to the Project. The form and substance of the proposed agreement (as set forth as on **Exhibit "A"** attached hereto and presented at this meeting) (the "***Agreement***") are hereby approved. The Chief Executive Officer and/or the (Vice) Chairperson of the Agency are each hereby authorized, on behalf of the Agency, to execute and deliver the Agreement, in substantially the same form as presented at this meeting and attached hereto as **Exhibit "A"**, with changes in terms and form as shall be consistent with this Resolution and as the Chief Executive Officer or the (Vice) Chairperson shall approve. The execution thereof by the Chief Executive Officer or the (Vice) Chairperson of the Agency of the Board shall constitute conclusive evidence of such approval.

Section 9. As an additional condition precedent to the extension of Financial Assistance, the Company shall acknowledge and agree, that the Agency shall, and in some cases may, recapture from the Company or any Additional Agents (as defined herein) the State and local sales and use tax exemption (the "***Recapture Amount***") taken or purported to be taken by any such person to which the person or Project is not entitled or which are in excess of the amounts authorized or which are for property or services not authorized or taken in cases where such Company or Additional Agents failed to comply with a material term or condition to use

property or services in the manner required by the Company or Additional Agents agreement with, or for the benefit of, the Agency. Such Company or Additional Agent shall cooperate with the Agency in its efforts to recover, recapture, receive, or otherwise obtain such State sales and use exemptions benefits and shall promptly pay over any such amounts to the Agency that it requests. The failure to pay over such amounts to the Agency shall be grounds for the Commissioner to assess and determine State sales and use taxes due from the Company and/or Additional Agents under article twenty-eight of the tax law, together with any relevant penalties and interest due on such amounts. In addition, the Agency may recapture all other Financial Assistance in the event any of the foregoing occur or there is a Deficit (as defined in the Agency's Recapture Policy).

Section 10. As another condition precedent to the extension of Financial Assistance, the Company and the Agency shall execute and deliver a project agreement (the "***Project Agreement***") setting forth certain terms and conditions relative to the approved Financial Assistance.

Section 11. Subject to the due execution and delivery by the Company of the Agreement and the Project Agreement, the satisfaction of the conditions of this Resolution, the Agreement, the Project Agreement and the payment by the Company of any attendant fees due to or incurred by the Agency, the Company is hereby appointed the true and lawful agent of the Agency to proceed with the construction, installation, equipping and completion of the Project, all with the same powers and the same validity as if the Agency were acting in its own behalf. The appointment made by this Section shall not be effective until the Agreement and the Project Agreement and an Environmental Compliance and Indemnification Agreement (as defined herein) by the Company in favor of the Agency have been duly executed and delivered by the Company.

Section 12. The Chief Executive Officer and/or the (Vice) Chairperson of the Board, acting individually, are each hereby authorized and directed, for and in the name and on behalf of the Agency, to execute and deliver the documents and agreements identified herein and any such additional certificates, instruments, documents or affidavits, to pay any such other fees, charges and expenses, to make such other changes, omissions, insertions, revisions, or amendments to the documents referred herein and to do and cause to be done any such other acts and things, as they determine, on advice of counsel to the Agency, may be necessary or desirable to consummate the transactions contemplated by this Resolution and the Agreement.

Section 13. The obligation of the Agency to consummate any transaction contemplated herein or hereby is subject to and conditioned upon the execution and delivery of, among other things, an environmental compliance and indemnification agreement (the "Environmental Compliance and Indemnification Agreement") in favor of the Agency in form and substance acceptable to the Agency and its counsel by the Company, and some or all of its principals, in the discretion of the Chief Executive Officer and/or (Vice) Chairperson of the Agency.

Section 14. No covenant, stipulation, obligation or agreement contained in this Resolution or any document referred to herein shall be deemed to be the covenant, stipulation, obligation or agreement of any member, officer, agent or employee of the Agency in his or her individual capacity. Neither the members nor officers of the Agency, nor any person executing any documents referred to herein on behalf of the Agency, shall be liable thereon or be subject to any personal liability or accountability by reason of the execution or delivery thereof.

Section 15. Should the Agency's participation in the Project, or the appointments made in accordance herewith, be challenged by any party, in the courts or otherwise, the Company shall defend, indemnify and hold harmless the Agency and its members, officers and employees from any and all losses arising from any such challenge including, but not limited to, the fees and disbursement of the Agency's counsel. Should any court of competent jurisdiction determine that the Agency is not authorized under the Act to participate in the Project, this Resolution shall automatically become null, void and of no further force and effect, and the Agency shall have no liability to the Company hereunder or otherwise.

Section 16. A copy of this Resolution, together with the attachments hereto, shall be placed on file in the office of the Agency where the same shall be available for public inspection during business hours.

Section 17. The Chief Executive Officer and/or (Vice) Chairperson of the Agency are each hereby authorized and directed to distribute copies of this Resolution to the Company and to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this Resolution.

Section 18. Counsel to the Agency and special Agency counsel are hereby authorized to work with the Company, and others to prepare, for submission to the Agency, all documents necessary to effect the grant of Financial Assistance and consummate the Lease Documents.

This Agreement is between the **COUNTY OF OSWEGO INDUSTRIAL DEVELOPMENT AGENCY** (the "***Agency***") and OSWEGO PV, LLC, a Delaware limited liability Company (the "***Company***").

Article 1. Preliminary Statement. Among the matters of mutual inducement which have resulted in the execution of this Agreement are the following:

1.01. The Agency is authorized and empowered by the provisions of Title 1 of Article 18-A of the General Municipal Law of the State of New York (the "***State***"), as amended, together with Chapter 234 of the Laws of 1973 of the State of New York, as amended from time to time (collectively, the "***Act***") to grant "financial assistance" (as defined in the Act) in connection with "Projects" (as defined in the Act) and to lease or sell the same upon such terms and conditions as the Agency may deem advisable and designate an agent for constructing, installing and equipping "projects" (as defined in the Act).

1.02. The purposes of the Act are to promote, attract, encourage and develop recreation and economically sound commerce and industry in order to advance the job opportunities, health, general prosperity and economic welfare of the people of the State, to improve their recreation opportunities, prosperity and standard of living, and to prevent unemployment and economic deterioration. The Act vests the Agency with all powers necessary to enable it to accomplish such purposes, including the power to grant financial assistance, acquire and dispose of interests in real property and to appoint agents for the purpose of completion of projects undertaken by the Agency.

1.03. The Company submitted an application to the Agency (the "***Application***"), a copy of which is on file at the office of the Agency, requesting the Agency consider undertaking a project (the "***Project***") consisting of: (A) (i) the acquisition of a leasehold interest (or sub-leasehold interest) in all or a portion of approximately 78.31 acres of real property located at 447 County Route 20 (tax map no. 164.00-06-02.08) in the Town of Oswego, County of Oswego, State of New York (the "***Land***"); (ii) the construction on the Land of an approximately 22.44 acre solar power electric generating photo-voltaic system, including, but not limited to, solar panels, inverters, transformer, single-axis trackers, racking systems, switchboards, energy storage system, steel beams, wiring, electric poles and other electrical and mechanical components and access roads (the "***Facility***"); and (iii) the acquisition and installation in and around the Facility and/or for use in connection with the Project of various machinery, equipment, furnishings and other items of tangible personal property (collectively the "***Equipment***") (the Land, the Facility and Equipment are hereinafter collectively referred to as the "***Project Facility***"); (B) the granting of certain financial assistance in the form of exemptions from real property taxes, real estate transfer taxes, mortgage recording tax (except as limited by Section 874 of the Act) and State and local sales and use tax (collectively, the "***Financial Assistance***"); and (C) the lease (or sub-lease) of the Land and the Facility by the Company (and/or the owner of the Land) to the Agency pursuant to a lease agreement; the acquisition by the Agency of an interest in the Equipment

pursuant to a bill of sale from the Company; and the sublease of the Project Facility back to the Company (and/or the owner of the Land) pursuant to a sublease agreement.

1.03(a). All documents necessary to effectuate the Agency's undertaking of the Project and the granting of the Financial Assistance between the Agency and the Company, including but not limited to, a company lease, a bill of sale, an agency lease, a project agreement, an environmental compliance and indemnification agreement and a payment in lieu of tax agreement, shall be collectively referred to herein as the "***Lease Documents***".

1.05. The Agency has determined that the acquisition or continuation of a controlling interest in, and the construction, installation and equipping of the Project Facility and the subleasing of the same to the Company will promote and further the purposes of the Act.

1.06 On February 23, 2023, the Agency adopted a resolution (the "***Inducement Resolution***") agreeing, subject to the satisfaction of all conditions precedent set forth in such Resolution, to designate the Company as the Agency's agent for the acquisition, construction, installation, equipping and completion of the Project Facility and determining that the leasing of the same to the Company will promote further purposes of the Act. For purposes of that designation, the Agency authorized as part of the approved Financial Assistance, State and local sales and use tax exemption benefits in an amount not to exceed **$246,153,** a mortgage recording tax exemption in an amount not to exceed **$34,661**, and the amount of real property tax abatement benefits in an approximate amount of **$1,386,423**, which such amount reflects the total estimated real property tax exemptions for the Project Facility (which constitute those taxes that would have been paid if the Project Facility were on the tax rolls and not subject to that certain payment in lieu of tax agreement between the Company and the Agency (the "PILOT Agreement") of approximately **$1,750,884**, less the estimated payments in lieu of taxes of approximately **$364,461** to be made by the Company to the affected tax jurisdictions with respect to the Project Facility during the term of the PILOT Agreement.

1.07 In the Resolution, subject to the execution of, and compliance with, this Agreement by the Company, and other conditions set forth in the Inducement Resolution and herein, the Agency appointed the Company as its agent for the purposes of acquisition, construction, installation, equipping and completion of the Project Facility, entering into contracts and doing all things requisite and proper for the acquisition, construction, installation, equipping and completion of the Project Facility.

The Agency may in accordance with Article 8 of the Environmental Conservation Law of the State of New York, as amended, and the regulations of the Department of Environmental Conservation of the State of New York promulgated thereunder (collectively referred to hereinafter as "***SEQRA***"), undertake supplemental review of the Project. Article 3. Undertakings on the Part of the Company. Based upon the statements, representations and undertakings of the Agency and subject to the conditions set forth herein, the Company agrees as follows:

3.01. (d) The Company shall defend, indemnify and hold the Agency harmless from all losses, expenses, claims, damages and liabilities arising out of or based on the non-disclosure of information, if any, requested by the Company in accordance with Section 4.05 hereof.

(e) The defense and indemnities provided for in this Article 3 shall survive expiration or termination of this Agreement and shall apply whether or not the claim, liability, cause of action or expense is caused or alleged to be caused, in whole or in part, by the activities, acts, fault or negligence of the Agency, its members, officers, employees and agents, anyone under the direction and control of any of them, or anyone for whose acts or omissions the Agency or any of them may be liable, and whether or not based upon the breach of a statutory duty or obligation or any theory or rule of comparative or apportioned liability, subject only to any specific prohibition relating to the scope of indemnities imposed by statutory law.

(f) The Company shall provide and carry: (i) worker's compensation and disability insurance as required by law; and (ii) comprehensive liability and property insurance with such coverages (including without limitation, owner's protective coverage for the benefit of the Agency, naming the Agency as an additional insured on all policies of coverage regarding the Project; providing the coverage with respect to the Agency be primary and non-contributory; and contractual coverage covering the indemnities herein provided for), with such limits and which such companies as may be approved by the Agency. The Company shall provide certificates and/or policies of insurance in form satisfactory to the Agency evidencing such insurance.

consents from the State of New York, the Town of Oswego, County of Oswego and any other governmental authority which approvals, permits and consents are required under applicable law for the development, construction and equipping of the Project and any related site improvements. The Company acknowledges and agrees that the Agency's findings and determinations under SEQRA do not and shall not in and of themselves (except as specifically set forth in SEQRA) satisfy or be deemed to satisfy applicable laws, regulations, rules and procedural requirements applicable to such approvals, permits and consents.

3.02. The Company agrees that, as agent for the Agency or otherwise, it will comply at the Company's sole cost and expense with all the requirements of all federal, state and local laws, rules and regulations of whatever kind and howsoever denominated applicable to the Agency and/or Company with respect to the Project Facility, the acquisition of a controlling interest therein, construction, installation, equipping and completion thereof, the operation and maintenance of the Project Facility, supplemental review of adverse environmental impacts in accordance with SEQRA and the financing of the Project. Every provision required by law to be inserted herein shall be deemed to be set forth herein as if set forth in full, including, but not limited to, Section 875 of the Act; and upon the request of either party, this Agreement shall be amended to specifically set forth any such provision or provisions.

3.03. (a) The Company agrees that, as agent for the Agency, to the extent that such provisions of law are in fact applicable (without creating an obligation by contract beyond that which is created by statute), it will comply with all the requirements Section 220 of the Labor Law of the State of New York, as amended.

3.04. The Company will take such further action and adopt such further proceedings as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

3.05. If it should be determined that any State or local sales or compensatory use taxes are payable with respect to the acquisition, purchase or rental of machinery or equipment, materials or supplies in connection with the Project Facility, or are in any manner otherwise payable directly or indirectly in connection with the Project Facility, the Company shall pay the same and defend and indemnify the Agency from and against any liability, expenses and penalties arising out of, directly or indirectly, the imposition of any such taxes.

3.06. The Company shall proceed with the acquisition, construction, installation, equipping and completion of the Project Facility and advance such funds as may be necessary to accomplish such purposes. The Company may utilize, and is authorized to appoint, Additional Agents as agents of the Agency, in furtherance thereof. Any appointment of an Additional Agent is conditioned upon the Company first obtaining and providing the Agency the following:

(1) A written, executed agreement, in form and substance acceptable to the Agency, from each appointed Additional Agent which provides for: (i) the assumption by the

Additional Agent, for itself, certain of the obligations under this Agreement relative to the appointment, work and purchases done and made by each appointed Additional Agent; (ii) an acknowledgement by the Additional Agent to hire from the Labor Market Area during the construction period of the Project Facility whenever practicable; (iii) an acknowledgement that the Additional Agent is obligated, to timely provide the Company with the necessary information to permit the Company, pursuant to General Municipal Law §874(8), to timely file an Annual Statement with the New York State Department of Taxation and Finance on "Annual Report of Sales and Use Tax Exemptions" (Form ST-340) regarding the value of sales and use tax exemptions the Additional Agent claimed pursuant to the agency conferred on it by the Company with respect to this Project; (iv) an acknowledgment by the Additional Agent that in order to be entitled to the exemption, the Additional Agent shall present to the supplier or other vendor of materials or equipment for the Project Facility a completed "IDA Agent or Project Operator Exempt Purchase Certificate" (Form ST-123); (v) an acknowledgment by the Additional Agent that that the failure to comply with the foregoing will result in the loss and recapture of the exemption; and (vi) such other terms and conditions as the Agency deems necessary; and

(2) A completed "IDA Appointment of Project Operator or Agent for Sales Tax Purposes" (Form ST-60) for each Additional Agent appointed within fifteen (15) days of the appointment of each Additional Agent such that the Agency can execute and deliver said form to the State Department of Taxation and Finance within thirty (30) days of appointment of each such Additional Agent.

Failure of the Company to comply with the foregoing shall nullify the appointment of any Additional Agent and may result in the loss and recapture of the Company's exemption with respect to the Project at the sole discretion of the Agency.

The Company acknowledges that the assumption by the Additional Agent in accordance with Section 3.06(1) above, does not relieve the Company of its obligations under those provisions or any other provisions of this Agreement with respect to the Project.

3.07. The Company hereby ratifies and confirms its obligation to pay an administrative fee to the Agency in the amount of .75% of the Project costs. Such amount is due and payable in full at closing.

Article 4. General Provisions.

4.01. This Agreement shall take effect on the date of the execution hereof by the Agency and the Company and, subject to Section 4.04 hereof, shall remain in effect until the Lease Documents become effective. It is the intent of the Agency and the Company that, except as to those provisions that survive, this Agreement be superseded in its entirety by the Lease Documents.

4.02. (a) It is understood and agreed by the Agency and the Company that the grant of Financial Assistance and the execution of the Lease Documents and related documents are subject to: (i) payment by the Company of the Agency's fee and Agency's counsel and special counsel fees; (ii) obtaining all necessary governmental approvals, permits and consents of any kind required in connection with the Project Facility; (iii) approval by the members of the Agency; (iv) approval by the Company; and (v) the condition that there are no changes in New York State Law, including regulations, which prohibit or limit the Agency from fulfilling its obligations hereunder; (b) the Company, by executing this Agreement, acknowledges and agrees to make, or cause its Additional Agents whether appointed as an agent of the Agency in accordance with Section 3.06 hereof or not, to make, all records and information regarding State and local sales and use tax exemption benefits given to the Project as part of the Financial Assistance available to the Agency upon request, including but not limited to the Form ST-340 for itself and each Additional Agent; (c) the Company, by executing this Agreement, acknowledges and agrees to the terms and conditions of Section 875(3) of the Act as if such section were fully set forth herein and further agrees to cause all of its Additional Agents to acknowledge, agree and consent to same.

Without limiting the scope of the foregoing the Company acknowledges that pursuant to Section 875(3) of the Act and in accordance with the Agency's Recapture Policy (*which is published on the Agency's website or available at the Agency's office*), the Company is subject to recapture of all State sales and use tax exemption benefits (the "***Recapture Amount***") if:

(1) the Company or its Additional Agents, if any, authorized to make purchases for the benefit of the Project are not entitled to the State sales and use tax exemption benefits; or

(2) the State sales and use tax exemption benefits are in excess of the amounts authorized by the Agency to be taken by the Company or its subagents, if any; or

(3) the State sales and use tax exemption benefits are for property or services not authorized by the Agency as part of the Project; or

(4) the Project has failed to comply with a material term or condition to use the property or services in the manner required by any project documents between the Company and the Agency.

The failure of the Company to promptly pay such Recapture Amount to the Agency will be grounds for the Commissioner to collect sales and use taxes from the Company under Article 28 of the State Tax Law, together with interest and penalties.

In addition, and in accordance with the Agency's Recapture Policy, the Agency may recapture all other Financial Assistance in the event any of the foregoing occur or there is a Deficit (as defined in the Agency's Recapture Policy). For purposes of the foregoing, the Company acknowledges and agrees that for purposes of exemption from State sales and use taxation as part of the Financial Assistance requested, "sales and use taxation" shall mean sales and compensating use taxes and fees imposed by article twenty-eight or twenty-eight-A of the

New York State tax law but excluding such taxes imposed in a city by section eleven hundred seven or eleven hundred eight of such article twenty-eight.

4.03. The Company agrees that it will, within thirty (30) days of a written request for same, regardless of whether or not this matter closes or the Project Facility is completed: (i) reimburse the Agency for all reasonable and necessary expenses, including without limitation the fees and expenses of counsel to the Agency arising from, out of or in connection with the Project, and/or any documents executed in connection therewith, including, but not limited to any claims or actions taken by the Agency against the Company, Additional Agents or third parties; and (ii) indemnify the Agency from all losses, claims, damages and liabilities, in each case which the Agency may incur as a consequence of executing this Agreement or performing its obligations hereunder, including but not limited to, any obligations related to Additional Agents.

4.04. If for any reason the Lease Documents are not executed and delivered by the Company and the Agency on or before eighteen (18) months from the execution hereof, the provisions of this Agreement (other than the provisions of Articles 1.04, 2.02, 2.04, 3.01, 3.02, 3.03, 3.05, 3.06, 4.02, 4.03, 4.04, 4.05 and 4.06, which shall survive) shall unless extended by agreement of the Agency and the Company, terminate and be of no further force or effect, and following such termination neither party shall have any rights against the other party except:

(a) The Company shall pay the Agency for all expenses incurred by the Agency in connection with the acquisition, construction, installation, equipping and completion of the Project Facility;

(b) The Company shall assume and be responsible for any contracts for construction or purchase of equipment entered into by the Agency at the request of or as agent for the Company in connection with the Project Facility; and

(c) The Company will pay the out-of-pocket expenses of members of the Agency, counsel for the Agency and special Agency counsel incurred in connection with the Project and will pay the fees of counsel for the Agency and special Agency counsel for legal services relating to the Project Facility, Additional Agents or the proposed financing thereof.

4.05. The Company acknowledges that Section 875(7) of the New York General Municipal Law ("*GML*") requires the Agency to post on its website all resolutions and agreements relating to the Company's appointment as an agent of the Agency or otherwise related to the Project, including this Agreement; and Article 6 of the New York Public Officers Law declares that all records in the possession of the Agency (with certain limited exceptions) are open to public inspection and copying. If the Company feels that there are elements of the Project or information about the Company in the Agency's possession which are in the nature of trade secrets or information, the nature of which is such that if disclosed to the public or otherwise widely disseminated would cause substantial injury to the Company's competitive position, the Company must identify such elements in writing, supply same to the Agency: (i) with respect to this Agreement, prior to or contemporaneously with the execution hereof; and (ii) with respect to all other agreements executed in connection with the Project, on or before the Closing Date, and request that such elements be kept confidential in accordance with Article 6 of

the Public Officers Law. Failure to do so will result in the posting by the Agency of all information in accordance with Section 875 of the GML.

4.06 That every controversy, dispute or claim arising out of or relating to this Agreement shall be governed by the laws of the State of New York, without regard to its conflict-of-laws provisions that if applied might require the application of the laws of another jurisdiction; and that the Company irrevocably and expressly submits to the exclusive personal jurisdiction of the Supreme Court of the State of New York and the United States District Court for the Northern District of New York, to the exclusion of all other courts, for the purposes of litigating every controversy, dispute or claim arising out of or relating to this Agreement.

IN WITNESS WHEREOF, the parties hereto have entered in this Agreement as of _____, 2023.
